

# **Rhode Island College Dining Service Meal Plan Contract Release Fee Schedule Fall 2020 / Spring 2021**

The Housing and Dining Contract is an annual contract which includes the Fall and Spring semesters. Based upon the annual contracts, Residential Life and Housing and Dining Services make financial commitments to support our Residents for the contract period.

Dining Services incurs costs for food and beverage items, equipment, staffing, supplies and other associated operational needs required to providing our Residents with a diverse variety of food and beverage choices available each day of the Fall and Spring semesters. We also incur costs to maintain engaging environments with an array of amenities to provide an enjoyable dining experience. Early cancellation of meal plan contracts directly impact the costs we allocate on an annual basis, to support our Residents.

Dining Services understands there are circumstances which result in a Resident seeking to be released from their annual Housing and Dining Contract. Such Residents are encouraged to visit the Residential Life and Housing website at <http://www.ric.edu/residential-life/Pages/Policies.aspx> for additional information and the applicable processes to do so. Residents are also encouraged to review this refund policy and the Meal Plan fee schedule.

Residents who are withdrawing from the College and/or have been granted release from their Housing and Dining Contract shall be entitled to a Meal Plan fee adjustment based upon the schedules below. The effective date of release shall be the latter of the official Housing and Dining Contract cancellation date (not the date the request was submitted) or the week in which the meal plan was last used, regardless of the level of activity. Residents who are not granted release from the Housing and Dining Contract shall remain financial responsible for their contract.

Under circumstances where a Resident leaves campus without completing the required documents for release from their Housing and Dining Contract, Dining Services will make a good faith effort to determine the appropriate fees to be charged.
